READY TO MAKE THE SWITCH?

Use this kit to help make switching your accounts easy and organized.

What's Included:
- Switch kit checklist
- Automatic payment and deposit checklist
- Direct deposit transfer letter
- Automatic payment transfer letter
- Account closure request letter
We are here to help make your transition smooth.

Step 1: Get Organized

- Open a Missouri Credit Union account.
- Review your last few statements from your other financial institution(s) and identify all automatic payments and automatic deposits. Use the Automatic Payment and Deposit Checklist in this kit to keep you organized.

  Remember: Not all automatic payments that you have previously established occur on a monthly basis. For example, insurance payments, some utilities and federal and state tax returns/payments can occur on irregular intervals such as bi-monthly, quarterly or even an annual basis.

Step 2: Move Your Direct Deposit & Automatic Payments

- Prepare to move your direct deposit by completing the Direct Deposit Transfer Letter* included in this kit.
- To transfer social security direct deposit, you can either call Social Security Administration or go to www.ssa.gov.
- Set up new automatic payments by either using the Automatic Payment Transfer Letter,* or by using our free bill pay service in MCU Anywhere. If you are setting up more than one payment, print or make additional copies of the Automatic Payment Transfer Letter for each automatic payment.

  *You may be asked to fill out an additional form by the company making the automatic payment/deposits.

Step 3: Close Your Old Account

- Confirm all pending withdrawals have cleared your old account(s) and confirm all automatic payments have been transferred to your new account(s).

  Reminder: Leave sufficient funds in your former account(s) to cover any outstanding checks or pending automatic payments.
- Complete the Account Closure Request Letter and send it to your former financial institution. (Some financial institutions may require you to fill out additional forms). If your account is an interest-bearing account, request to have your accrued interest be paid prior to closing.
- Destroy any unused checks, ATM/debit and credit cards, and deposit slips associated with your former account(s).
- Start using your new Missouri Credit Union account for all your deposits and payments.

Step 4: Keep Copies for Your Records

- Remember to keep a copy of all documents, letters and forms for your personal records.

Step 5: Transfer Other Accounts and Loans

- Consider making your financial life less complicated by transferring other accounts to Missouri Credit Union. We offer a complete line of financial products including mortgage services. With all of your funds in one place, managing your money will be easier.
- Call us at 800.451.1477, or visit one of our branches and we will be happy to assist you.
Use this checklist to ensure you don’t forget to switch any important deposits or payments to your new Missouri Credit Union account.
