The next time you access mcu@home, you will see this screen. Begin your log in process by inputting your **Username** and then click **Sign In**.

Verify security phrase, security picture and then input your password. Click **Next**.

Sign In - Check your Security Information, then enter your Password

Security Phrase: Hank is my friend!

Security Picture: 

Don't Recognize this Picture?

- You may have entered an **incorrect username**
- You may not be at the genuine Missouri Credit Union site

Security Information: This security phrase and picture are known only to you. When you see the proper security phrase and picture, you know that you are visiting the proper site. In the future, if you do not see your security phrase and picture, then do not continue.

Password: [Forgot Password? Start Over](#)

Answer one of the three security questions. Click Yes on Remember Computer? only if you are NOT on a public computer and do NOT want to see this screen again. Click **Next**. NOTE: Below screenshot shows both **explain** hyperlinks clicked so you can see hidden content.

Sign In - Answer Security Question

Question: What is the middle name of your oldest child? [explain](#)

This security question is being asked because we do not recognize this computer. By asking this additional security question, we are helping to ensure that your session is secure.

Answer: [Forgot Answer?](#)

Remember Computer? Yes No [explain](#)

Only check "remember this computer" if you are using a private computer, your home or office. If you are using a public computer, DO NOT check "remember this computer". Examples of public computers include libraries, internet cafes, and hotel computers.

Account Summary appears. NOTE: Last login time appears below the menu in a yellow highlight.
